

## PETRA SAMPLE KIT

9D00

### Product Description:

Comprehensive kit of appearance and protection products to care for interior and exterior of vehicle.

### Includes:

- Cherry Soap (P/N 9D101-8)
- Carnauba Wax (P/N 9D201-8)
- Pro Interior Dressing (P/N 9D301-8)
- Glacier Dressing (P/N 9D302-8)
- Leather Conditioner (P/N 303G-8)
- Red Fury (P/N 9D401-8)
- Ultra Wheel Cleaner (9D504-8)
- Fab Protect (P/N 9D801-8)
- 8 Microfiber Towels

### Features:

- Cherry Soap removes dirt, leaving a streak and film free surface. Safe for all paint types
- Carnauba Wax contains a unique blend of mild abrasives and silicones that remove minor paint imperfections and clean and shine in one easy step. Protects finishes from UV rays
- Pro Interior Dressing shines and protects rubber, plastic and vinyl surfaces
- Glacier Dressing shines and protects rubber, plastic and vinyl surfaces
- Leather Conditioner restores the original texture and appearance of leather
- Red Fury Degreaser loosens and removes stubborn dirt and grime from a variety of surfaces – including engines, grillwork, rubber, plastic and vinyl surfaces
- Ultra Wheel Cleaner effectively removes dirt, grease, dust and road film from all alloy and clear coated wheels
- Fab Protect provides stain protection through water and oil repellency, making treated surfaces easier to clean
